

Happy Holidays

All of us at Shuman Plastics offer heartfelt wishes to you and your family for a happy holiday season and a new year of health and peace.

In keeping with the spirit of the season (and in lieu of traditional holiday cards), we have made a donation on your behalf to Roswell Park Cancer Institute.

We are truly grateful to our customers, suppliers, partners and associates and wish to thank you for the privilege of working with you this year. We look forward to working together in the year ahead.

Warm regards,
